

Membership Form

Thank you for your interest in joining the Friends of Harrybrooke Park.

Our goal is to support the Park's Board of Managers in their efforts to repair, restore, and enhance the Park and Harden House museum through fundraising, volunteerism and by expanding our membership. The park receives no town funding and it needs your help.

The Park is a 501c3 charitable (not-for-profit) organization and operates without financial assistance from town or state government. Your donations are tax deductible and your support helps us to continue serving the community.

Come join in the fun and satisfaction of helping to maintain the beauty of the park.

Annual membership donation is \$25 and is renewed each calendar year in the Spring before Memorial Day.
